The Young Leadership Council has maintained its tradition of highlighting 25 members of the community each year since its inception in 1986. Role Models are selected each year by a committee comprised of past Role Models and members of the YLC's Board of Directors.

Honorees have distinguished themselves by: promoting a positive attitude and an unyielding desire to enhance the quality of life in our community; striving to unite our community in collaborative efforts for its future prosperity; serving as an exemplary role model to young talent in the community; taking an effective and vigorous leadership role in the community; and/or making significant contributions in their specific fields of endeavor.

A comprehensive list of all those who have been honored by the YLC as Role Models can be found at www.youngleadershipcouncil.org.
